The Olympiad «Precise Energy» in mathematics, chemistry and physics in the Rooppur NPP region

Final stage

Date: October 24-26, 2025

Location: Ishwardi, Pabna

The 4th “**Precise Energy**” **Olympiad** is an annual event aimed at promoting science and technology, while inspiring talented youth of Rooppur Nuclear Powerplant (RNPP) region to pursue careers in the field of nuclear technologies. It is traditionally organized by **ANO Energy of Future** together with **Atomstroyexport** (Engineering Division of ROSATOM, the general designer and contractor of Rooppur NPP), in partnership with the **Bangladesh Atomic energy Comission, Moscow Engineering Physics Institute (MEPhI)**.

Time	Event	Venue
October 24		
10:00 – 12:00 am	The Olympiad for school children (general tasks on chemistry mathematics and physics)	Govt. S.M. School and College, Ishwardi
1:00 – 3:00 pm	The Olympiad for university students in Math	Govt. S.M. School and College, Ishwardi
October 25		
10:00 – 12:00 am	The Olympiad for university students in Chemistry	Govt. S.M. School and College, Ishwardi
1:00 – 3:00 pm	The Olympiad for university students in Physics	Govt. S.M. School and College, Ishwardi
October 26		
10:00 am – 1:00 pm	The Engineering Creativity Olympiad for university students	RRP Community Center
2:00 – 4:00 pm	The Olympiad award ceremony	RRP Community Center
